

2.7.1: THE REPORT ON STUDENT'S SATISFACTION SURVEY

The student's satisfaction survey is one of the mandatory criteria set by National Assessment and Accreditation Council. It also pre-qualifies for assessment and accreditation of institution.

The student's satisfaction survey was primarily focused on teaching learning process of the college. The form for survey was posted online, students were informed about it and requested to fill the same. Each question was aimed at collecting factual opinion. Various aspects that are necessary for smooth flow of knowledge are included in the said survey.

Various areas and its respective overall findings are mentioned below.
