Love

Just to say I Love You
 never seems Enough
 I've said it so many times
 what I really mean when
 I say it
 How can so feeling
 so much adorable possibly
 fit into those three little word
 so no matter how many times
 I say it, never take it light
 for you are my life,
 And my only Love,
 I Love you now more
 than ever before.

Love

Yes! there is love in every feeling
 May it be a shadow or a light
 Yes! I love to with those laughing hands
 whose compassion is available to our hearts
 Yes! I love to with those troubled moist eyes
 that this thought floating in them is for someone
 Yes! I love those kind feet
 by stepping them, we get happiness
 Yes! There is love for those burdened shoulders
 which our hearts have made old
 Yes! Love is that person, who is the closest person
 are with us, and this all love
 Yes! We have these gifts from them
 that is a reward from Allah
 Yes! We love our parents
 in every moment of life
 Yes! It is endless, it is endless
 Love is love I have Love

LOVE

I don't get the word
 that I don't know I should stand
 cos the colour would be different
 and you are different
 I wish to know what you are
 who have captured my heart
 the one who have my life
 it's something I don't
 know what you love I don't
 know the your presence
 cos I don't know what
 you'll think my love
 what you love I don't
 know I just can't explain
 and I don't know what
 you'll think my love I don't
 know what you are I don't
 know the color I don't know
 what I have experienced myself
 that I will never let you go
