

Report on 30 hrs. Horticultural Course

Date: - 10th August 2021

Day: - Tuesday

Time: - 10.00 am.

Topic: - 30 Hrs. Horticultural Course

Resource Person: - Ms. Darekar Heera

Department: - Botany

Meeting Platform: - Google Meet & College

Beneficiaries: - Students, Faculty & others.

The Department of Botany of Aqsa Women's Degree College organized 30hrs. Horticultural course on 10th August 2021 at AWDC by Miss. Darekar Heera. This course was covered by theory and practical classes. The course provides a very strong foundation in general horticulture as well as propagation, landscaping or organics. The course is designed to lay foundation for the beginners by developing their ability to identify a large range of plants, growth and care of plants. Some students planted the plants by different methods e.g. cutting, hydroponics, grafting.

The students enjoyed the course .The course was successfully completed by the distribution of certificates to all the participant.
