

Report on Excursion Trip

Date: - 7th March, 2022

Day: - Monday

Time: - Departure: 09.00 a.m. – Arrival 10: 00p.m.

Topic: - Study of biodiversity, Ecology.

Department: - Zoology

Beneficiaries: - 62 (T.Y.B.Sc., S.Y.B.Sc.)

Aqsa Women's Degree College, Excursion Committee conducted an excursion trip to Mumbai Zoological park (VeermataJijabaiUdyan) 'Science centre' and 'JuhuChowpatty Beach' for the students of zoology department on 7th March, 2022. The primary objective of the trip was to study the animal biodiversity and to study natural surroundings and effects of human activities on Plants, Animals and Ecosystem.

At Zoo the Students saw Hyenas, swamp Deers, Spotted Deer, the Hamblot Penguins, Hippopotamus and Birds (African Parrots and Flamingos). It was an amazing picnic spot. The students enjoyed spending time in the laps of nature.

At science centre the students viewed some interesting scenes at the place – a model of a rocket, steam and electric train. They had a glimpse of innovations in science, Science for Children, Human Body and Sensory Organs, Sound, Light, Pre historic life, etc. It was an enriching and interesting learning experience for the students.

After that we visited Juhu Beach, one of the famous beach. It has an extensive shoreline, students studied about the tides and waves at Juhu beach. They enjoyed a lot. The field visit was indeed fulfilling in all aspects and the students were glad that they got the opportunities to visit such fascinating places.

Our sincere thanks to Principal, Management, teaching and non-teaching staff for their co-operation and support for making the excursion trip fruitful and successful.
